Message Body

Dear BCIC College,

You are receiving this e-mail as the designated contact provided by **Pronoy Deb Nath** (5. December 2007), a student at BCIC College, who recently participated in the Final Round of the International Physics Competition.

Pronoy Deb Nath was ranked among the **top 3%** of all 5,600 participants and has been awarded the **Silver Honour**.

The official results announcement, including the list of top awardees, is available on our website: [Announcement of 2025](#)

The **International Physics Competition (IPhyc)** is a global physics competition that encourages students to challenge themselves beyond their curriculum, develop their problem-solving skills, and connect with a worldwide network of enthusiastic students. The Final Round represents the most advanced stage of the competition, where participants demonstrate their skills in a timed online exam. If you would like to learn more about IPhyc, please visit our website: <https://iphyc.org>

Should you have any questions or require further information, please feel free to contact us.

Kind regards,
Stefan Amberg

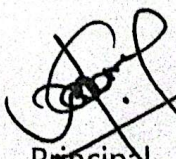

School Coordinator
